# ASABE International Adoption Project Proposal Form (PPF.ISO)

| *Staff use only* | |
|---|---|
| Project #: | ASABE Admin: None |
| Submission Date: | PINS Submission Date: |
| Subsequent revision dates: | |
| -03 Project Approval Date: | |

This form is for adopting an international document, with or without replacing an ASABE standard, or revising an existing international document that was previously adopted. If, instead, you wish to propose a new work item to ISO, please contact the ASABE Standards Staff. Submit to ASABE Standards Administrator, (brace@asabe.org; stell@asabe.org; walsh@asabe.org).

Standards shall be developed in accordance with the *ASABE Standardization Procedures* found at www.asabe.org or by contacting the ASABE Standards Department.
