

## How to Update a Committee Roster

1. For expiring members, ASABE staff will reach out via email to advise members on their status and if they wish to renew. This will be completed before the Annual Meeting.
2. During the Annual Meeting, the Chair will review the roster and make a note of any new members. Please include their name and email address.
3. Any member wishing to be elected to an officer, representative position must be a verified ASABE member as these are voting positions. Anyone is eligible for a Liaison position as this is to support information and communication between committees and organizations. All officers must be voting members of the committee.
  - a. Note: Under member type: AM=ASABE Member, NMI= Non-Member Individual, CM=Canadian (CSBE/ASABE) Member
4. Once all leadership, liaisons and representatives are selected, document their information including term of the office and along with the information on new members, forward this to your ASABE staff administrator.
