

ASABE AIM – INDIANAPOLIS  
July 12-15, 2026

## EVENT SCHEDULE

As a registered guest, you are welcome to attend any events of interest.

Some events are geared more specifically to different member categories; everyone is welcome to attend, however.

Events are coded as follows: E=Everyone; YP=Young Professionals; S=Students.

Updated on 4/15/2026, subject to change.

### CPD1 Future of Stored Grain Monitoring and Management

Sunday, 7/12/2026 8:00am - 1:00pm Workshop E

This Continuing Professional Development (CPD) workshop, 'Future of Stored Grain Monitoring and Management,' will deliver participants with a forward-looking overview of new technologies designed with data-driven approaches, and integrated systems used to monitor and manage stored grain quality. The session is likely to bring together researchers and industry personnel's to explore recent advances in temperature and CO2 sensing, model-based decision support systems used across modern grain storage facilities.

Participants will gain practical insights into how sensor networks, data analytics, and predictive models are transforming stored grain management from early detection of spoilage and insect activity to improved aeration control and loss prevention. The workshop combines technical presentations with live demonstrations of monitoring hardware and software systems, allowing attendees to directly connect theory with real-world application.

Cost: \$20 Minimum required: 15

For a full description and listing of all the CPDs being offered this year, visit [asabeaim.org/#four](http://asabeaim.org/#four)

### CPD2 Develop Custom Autonomous UAVs from the Ground Up for Precision Agriculture Applications

Sunday, 7/12/2026 8:00am - 4:00pm Workshop E

With the rapid adoption of Unmanned Aerial Vehicles (UAVs) in agriculture, environmental monitoring, and field automation, professionals increasingly need deep, hands-on expertise in building and deploying autonomous UAV systems beyond off-the-shelf platforms. Commercial drones often limit access to low-level control, sensor fusion, and autonomy customization, restricting their use in advanced research and precision agriculture applications.

This CPD provides participants with end-to-end knowledge of designing, assembling, simulating, and deploying custom autonomous UAVs from scratch. Attendees will learn how to select UAV hardware, integrate sensors and flight controllers, develop autonomy using ROS2, and validate algorithms using Software-In-The-Loop (SITL) simulation before real-world deployment.

Cost: \$100 Minimum required: 8

For a full description and listing of all the CPDs being offered this year, visit [asabeaim.org/#four](http://asabeaim.org/#four)

### ASABE AIM Hackathon Kick-Off

Sunday, 7/12/2026 8:00am - 4:30pm Student Competition E/S

Join us to ideate, prototype, and explore digital solutions for resilient food and agricultural systems! In the lead up to this event, we will host online discussions to allow participants to connect, form teams, and identify projects of common interest.

At ASABE, we will spend the day together making prototypes, from conceptual diagrams, to web apps, and IoT systems - it's a choose your own adventure! A laptop is required for this workshop.

Throughout the conference we will continue to work on our designs. All groups will present their creations during the final technical session period on Wednesday with judging and winners announced immediately.

An interest in digital agriculture is expected, with minimal programming experience. This is a hands-on experiential learning experience, and we encourage students from all disciplines to come! Pre-registration is required.

## CPD3 Application for LLMs (ChatGPT, Claude, Copilot) in Ag, Food & Biosystems Engineering

Sunday, 7/12/2026 9:00am - 12:00pm Workshop E

This interactive 3-hour workshop explores the transformative potential of Large Language Models (LLMs) like ChatGPT in Ag, Food, and Biosystems Engineering. Participants will discover how LLMs can streamline research, enhance decision-making, and automate technical writing. Through real-world case studies and hands-on activities, attendees will learn to optimize LLMs for tasks such as predictive and forecasting analytics, sustainability reporting, and stakeholder communication. No prior experience with LLMs is necessary, making this session ideal for students, researchers, and professionals eager to integrate AI-driven tools into their workflows and drive innovation in the agri-food sector.

Cost: \$25 Minimum required: 10

For a full description and listing of all the CPDs being offered this year, visit [asabeaim.org/#four](https://asabeaim.org/#four)

## ASABE Robotics Student Design Competition

Sunday, 7/12/2026 9:00am - 4:30pm Student Competition E/S

In the ASABE Robotics Competition, teams of undergraduate and graduate students design and build fully autonomous robots to perform simulated agricultural operations. Teams are evaluated based on the performance of their robot and the quality of a written report. Regardless of the outcome, participants develop practical skills in mechanical, electrical, and software engineering, and learn to apply them in an agricultural context. For more information, please see <https://www.asabe.org/Robotics>.

Sunday, July 12 - Setup and testing, 9:00am - 11:30am; preliminary rounds, 11:30am - 4:30pm.

Monday, July 13 - Final rounds, 9:00am - 5:00pm; wrap-up session, 5:00pm - 6:00pm.

## ASABE Board of Trustees Meeting

Sunday, 7/12/2026 10:30am - 1:30pm Executive E

Meeting of the Board of Trustees led by Sherry Hunt, president.

## CPD4 Practical Tools for Designing Human-Centric Circular Bioeconomy Systems

Sunday, 7/12/2026 1:00pm - 3:30pm Workshop E

Circular bioeconomy systems are often designed with a strong focus on technical efficiency, resource recovery, and material circularity. However, many promising innovations struggle during implementation when workforce systems, community impacts, and stakeholder dynamics are not fully considered during design. This interactive professional development session equips participants with practical tools to design circular bioeconomy systems that are both technically effective and socially resilient. Through guided exercises and applied design activities,

participants will develop skills in identifying how mental models shape engineering decisions and in using community-based participatory design approaches to strengthen circular system outcomes. Participants will work individually and in small groups to apply these tools to real-world bioeconomy contexts and reflect on opportunities for application in their work.

Cost: \$15 Minimum required: 10

For a full description and listing of all the CPDs being offered this year, visit [asabeaim.org/#four](http://asabeaim.org/#four)

### ASABE Meetings Council Meeting

Sunday, 7/12/2026 1:30pm - 3:30pm Council Meeting E

### ASABE Membership Council Meeting

Sunday, 7/12/2026 1:30pm - 3:30pm Council Meeting E

### ASABE Publications Council Meeting

Sunday, 7/12/2026 1:30pm - 3:30pm Council Meeting E

### ASABE Standards and Technical Council Meeting

Sunday, 7/12/2026 1:30pm - 3:30pm Council Meeting E

### YPC Social Night at Indianapolis Zoo

Sunday, 7/12/2026 2:30pm - 4:00pm Social E/YP/S

Join us for a fun and refreshing visit to the Indianapolis Zoo! Take a break from the conference routine, connect with fellow Young Professionals, and enjoy one of Indianapolis's top attractions, located just a 15-minute walk from the hotel. The group will depart together from the hotel at 2:30 p.m. on Sunday, July 12 for a relaxed walk to the zoo. Please wear comfortable clothing and shoes suitable for light outdoor walking. We will monitor the weather as the date approaches and adjust if needed. This event is designed to help ASABE Young Professionals build community in a casual, enjoyable setting. If you have any questions, please contact Tuyi.

### Community Program Chairs Meeting

Sunday, 7/12/2026 3:30pm - 4:30pm Committee Meeting E

### ASABE Welcome Reception

Sunday, 7/12/2026 4:30pm - 6:00pm Main Event E/YP/S

All meeting registrants are invited to attend the welcome reception. This is a great event to network and make plans for dinner later on.

### ISB Social and Meeting

Sunday, 7/12/2026 6:00pm - 7:00pm Community Meeting E/S

Join the International Student Branch for a social and meeting. Come to learn about resources for students and network with your fellow student members.

## Standards and Technical Community Fair

Sunday, 7/12/2026 6:00pm - 7:00pm Social E/YP

This event is open to all meeting attendees interested in learning about the standards development process and networking with technical community professionals.

## E#1 Fun Run

Monday, 7/13/2026 6:30am - 7:30am Social E/YP/S

Join us for a 5k run or 1mile walk around JW Marriot Indianapolis. We will meet at the registration desk at 6:15 am to walk to the starting area. We look forward to you joining us for fun and fitness. This event is sponsored by YPC. Pre-registration is required

## ASABE General Session / Recognitions / Keynote Speaker

Monday, 7/13/2026 8:00am - 9:30am Main Event E/YP/S

ASABE President Sherry Hunt, welcomes you to the 2026 Annual International Meeting. Presented and recognized at this time will be ASABE Trustees, Educational Aids Blue Ribbon, Superior Paper Awards, ITSC Paper Awards, Outstanding Reviewer, Retiring Editors, Associate Editors, Conference Chair Recognitions, and Standards Development. Following these recognitions, President-Elect, Travis Tsunemori will introduce our keynote speaker.

## ASABE Robotics Student Design Competition

Monday, 7/13/2026 9:00am - 6:00pm Student Competition E/S

In the ASABE Robotics Competition, teams of undergraduate and graduate students design and build fully autonomous robots to perform simulated agricultural operations. Teams are evaluated based on the performance of their robot and the quality of a written report. Regardless of the outcome, participants develop practical skills in mechanical, electrical, and software engineering, and learn to apply them in an agricultural context. For more information, please see <https://www.asabe.org/Robotics>.

Monday, July 13 - Final rounds, 9:00am - 5:00pm; wrap-up session, 5:00pm - 6:00pm.

## ASABE AIM Hackathon

Monday, 7/13/2026 9:00am - 6:00pm Student Competition E/S

Join us to ideate, prototype, and explore digital solutions for resilient food and agricultural systems! In the lead up to this event, we will host online discussions to allow participants to connect, form teams, and identify projects of common interest.

At ASABE, we will spend the day together making prototypes, from conceptual diagrams, to web apps, and IoT systems - **it's a choose your own adventure! A laptop is required for this workshop.**

Throughout the conference we will continue to work on our designs. All groups will present their creations during the final technical session period on Wednesday with judging and winners announced immediately.

An interest in digital agriculture is expected, with minimal programming experience. This is a hands-on experiential learning experience, and we encourage students from all disciplines to come! Pre-registration is required.

## Fountain Wars Competition

Monday, 7/13/2026 9:30am - 11:00am Student Competition E/S

Fountain Wars is a competition aimed to welcome all students from every level and area of study. It provides students with hands on experience in engineering design and most importantly the students have a great time. Teams are to build a fountain that completes a technical task and a detailed aesthetic display.

Team Presentation Monday at 9:30AM-11:00AM

Team check-in and Build: Tuesday 1:00PM-5:00PM

Team test / Adjustment in Fountain and Competition: Tuesday 5:00-6:30PM

1st place: \$1,250; 2nd place \$1,000; 3rd \$750

## Quarter Scale Tractor Student Design Competition

Monday, 7/13/2026 11:00am - 12:15pm Student Competition E/S

Top finishing teams in the Team Presentation category from this year's competition will give their winning presentations during this session. This is an excellent opportunity for students to see what a top presentation looks like and use that knowledge to improve their own presentation in future years. There will be ample time for Q&A, so come ready to learn.

## E#2 Spouse/Guest Event

Monday, 7/13/2026 1:30pm - 4:30pm Social E

Reconnect with friends in this group activity as we dive into the art of creating stunning mosaic light boxes. Guided by master artisans, each participant will craft their very own masterpiece to take home with them.

Everyone is welcome to join the Spouse/Guest event!

\*One ticket is included with your Spouse/Guest registration that includes the Spouse/Guest Event, please check what option you select.

Cost: \$100

## Alpha Epsilon Annual Business Meeting

Monday, 7/13/2026 12:15pm - 1:15pm Community Meeting E

Each chapter of Alpha Epsilon should have at least one representative attend.

## Past Presidents Roundtable

Monday, 7/13/2026 2:30pm - 3:30pm Executive E

The past presidents of ASABE gather to catch up on Society activities, discuss and determine action to assist the Society, and meet and visit with the President-Elect.

## K.K. Barnes Student Paper Award Competition

Monday, 7/13/2026 2:30pm - 4:00pm Student Competition E/S

The KK Barnes Student Paper Award Competition comprises of an undergraduate student paper competition and an oral competition, which is held at the ASABE Annual International meeting. Winners will be recognized at the ASABE Student Awards Ceremony on Wednesday.

## Order of the Engineer Ceremony

Monday, 7/13/2026 4:00pm - 5:00pm Main Event E

Engineering graduates and registered engineers are invited to accept the Obligation of the Engineer and a stainless steel ring which is worn on the little finger of the engineer's working hand. All graduates of ABET accredited engineering programs; seniors in ABET accredited programs within two academic years of graduation; licensed PEs; and members of the Canadian Calling by reciprocity are invited to join the Order. All inductees must be present to accept their certificate and ring at the induction ceremony. The cost of entering the Order is \$20.00 and inductees may register with Tina Schultz in person at the membership booth at the meeting. Learn more about the Order here - <http://www.order-of-the-engineer.org/>

## Boyd-Scott Graduate Research Award

Monday, 7/13/2026 4:00pm - 5:00pm Student Competition E/S

The Graduate Student Research Award (GSRA) Competition sets out to recognize excellence in the conduct and presentation of agricultural and biological engineering research carried out by graduate student members. The competition is held in two parts: a written competition and an oral presentation for the top three finalists in the M.S. and Ph.D. categories, which is held at the ASABE Annual International Meeting. Winners will be recognized at the ASABE Student Awards Ceremony on Wednesday.

## E#3 AOCABFE Business Meeting and Award Dinner

Monday, 7/13/2026 5:15pm - 7:00pm Community Meeting E

The AOCABFE annual meeting provides a platform for promoting and facilitating research and educational exchanges among researchers with oversea origin or associations in the areas of agricultural, biological and food engineering. The ASABE meeting attendees with international collaboration interests are invited to attend the meeting. The AOCABFE activities in 2025-2026 will be reviewed and plans of action for 2026-2027 will be discussed. Following the business meeting, the members of AOCABFE will be gathering at an off-site location for the awards dinner and an opportunity for socializing and networking.

Cost for Members: \$60 for faculty members; \$20 for student members

## CNH Student Reception

Monday, 7/13/2026 5:30pm - 6:30pm Social S

All students attending the AIM conference, and CNH employees, are invited to attend this reception. The reception will be informal with an opportunity for the students to meet and network with industry professionals working in the design, sales, and manufacturing of agricultural and construction machinery [Case IH and New Holland brand families].

## E#4 AABFEIO Business Meeting

Monday, 7/13/2026 5:30pm - 6:30pm Community Meeting E

Join us for the AABFEIO Business Meeting during AIM 2025, bringing together professionals of Indian origin in agricultural and biological engineering. This event features a keynote speaker sharing valuable insights on career opportunities and professional growth. Additionally, we will present the 2026 AABFEIO Awards, including the Graduate Student Awards, Early Career and Women in Engineering Awards and recognizing outstanding contributions in the field.

Dinner location after the business meeting to be determined. Please RSVP by purchasing your tickets in advance. Everyone is encouraged to book and pay for the dinner online as that will assist us define the no. of guests. If anyone is willing to pay in-person during the meeting they are also welcome to do so.

Cost for Members: \$35/ Students: \$25/ Spouse: \$30/ Spouse with Child (under age 5): \$40

## **E#5 Women in ASABE Speed Networking**

Monday, 7/13/2026 5:30pm - 6:30pm Social E

Check out this great networking opportunity for all ASABE members who identify as women! You will meet and visit with women who participate in the annual meeting and perhaps share some of your same interests. You can choose to participate as either a mentor or a mentee; mentors typically include women further along in their careers and mentees include students and early career individuals. Each mentor will host a series of conversations with small groups of mentees. Each mentee will have the opportunity to talk with about 6 different mentors during the hour. Please feel free to contact the session hosts, Tiffany Messer (Tiffany.Messer@uky.edu), Anna Linhoss (alinhoss@auburn.edu), and Becca Muenich (rlogsdo@uark.edu) if you have any questions. Registration is required but there is no charge for this event.

## **Fellows Induction Ceremony / Reception**

Monday, 7/13/2026 6:00pm - 8:00pm Main Event E

All registrants are invited to this special recognition ceremony and reception honoring the 2025 ASABE Fellows. ASABE defines a Fellow as a member of unusual professional distinction, with outstanding and extraordinary qualifications and experience in, or related to, the field of agricultural, food, or biological systems engineering.

## **E#6 Women in ASABE Social**

Monday, 7/13/2026 6:30pm - 7:30pm Social E

The Women in ASABE Social is an informal mixer open to all ASABE members who identify as women. Hosted by Amy Kaleita from Iowa State University, this event will provide an opportunity to meet, socialize and network with other women from across ASABE. Refreshments will be served.

## **University of Illinois Alumni & Friends Reception**

Monday, 7/13/2026 8:00pm - 9:30pm Social E

Alumni and friends of the University of Illinois are invited to join us for a hosted bar and light refreshments. There is no fee to attend. Stop by to connect with fellow Illini and hear what's new with ABE at Illinois. I-L-L!

## **BSE - Virginia Tech**

Monday, 7/13/2026 8:00pm - 10:00pm Social E

The Biological Systems Engineering Department of Virginia Tech cordially invites alumni and friends to this gathering on Monday evening. Come, enjoy some refreshments, and catch up on the latest happenings in the department and at Virginia Tech!

## **Iowa State University Social**

Monday, 7/13/2026 8:00pm - 10:00pm Social E

Join faculty, staff, students, friends, and alums of Iowa State University ABE to reconnect and enjoy good company!

## E#7 Texas A&M University Breakfast

Tuesday, 7/14/2026 7:00am - 8:00am Social E

Texas A&M Bio & Ag Engineering would like you to join us for breakfast. Get your day started as we reminisce and visit with former students and friends.

Cost: \$20; \$15 for student members

## ASABE AIM Hackathon

Tuesday, 7/14/2026 9:00am - 6:00pm Student Competition E/S

Join us to ideate, prototype, and explore digital solutions for resilient food and agricultural systems! In the lead up to this event, we will host online discussions to allow participants to connect, form teams, and identify projects of common interest.

At ASABE, we will spend the day together making prototypes, from conceptual diagrams, to web apps, and IoT systems - **it's a choose your own adventure! A laptop is required for this workshop.**

Throughout the conference we will continue to work on our designs. All groups will present their creations during the final technical session period on Wednesday with judging and winners announced immediately.

An interest in digital agriculture is expected, with minimal programming experience. This is a hands-on experiential learning experience, and we encourage students from all disciplines to come! Pre-registration is required.

## Gunlogson Environmental Design Student Competition

Tuesday, 7/14/2026 9:30am - 11:00am Student Competition E/S

The Gunlogson Environmental Design Student Competition comprises of a written design report and an oral competition, which is held at the ASABE Annual International Meeting. Winners will be recognized at the ASABE Student Awards Ceremony on Wednesday.

## AGCo Comp

Tuesday, 7/14/2026 11:00am - 12:15pm Student Competition E/S

The top three entries for the student design competition have been invited to this oral competition. Listen to these outstanding engineering design project presentations. Winners will be recognized at the ASABE Student Awards Ceremony on Wednesday.

## NRES-27 Subcommittee Networking Lunch and Meeting

Tuesday, 7/14/2026 12:00pm - 2:00pm Committee Meeting E

**NRES-27 committee members and officers will first have a special session "Indiana Perspective on Sustainable Manure Management"** in the morning. The group will then hold its annual meeting, and have a networking lunch. Registration is required via NRES-27.

## **E#8 Guide to Professional Licensure Lunch and Learn**

Tuesday, 7/14/2026 12:15pm - 1:45pm Workshop E/YP/S

Studying for a Fundamentals of Engineering or Professional Licensure Exam? Or just have questions about Professional Licensure? ISB, YPC and PEI, bring you an opportunity to ask our panel of Engineering Interns and registered Professional Engineers questions and get answers related to the FE or PE exam and professional practice. This session is open to all and the first 25 people to register will receive free lunch. Lunch is sponsored by PEI. Preregistration is required.

## **ASABE Annual Business Meeting**

Tuesday, 7/14/2026 1:00pm - 1:45pm Community Meeting E

Conducted by ASABE President Doug Otto, the Annual Business Meeting features an overview of the state of the Society and the Foundation. All are welcome to attend.

## **ASABE Career Fair**

Tuesday, 7/14/2026 1:00pm - 4:00pm Main Event E/YP/S

Join representatives from private industry, academia, and government who are in the forefront of agricultural and biological engineering and make the next step in your career. Career fair is open to all.

## **Fountain Wars Competition**

Tuesday, 7/14/2026 1:00pm - 6:30pm Student Competition E/S

Fountain Wars is a competition aimed to welcome all students from every level and area of study. It provides students with hands on experience in engineering design and most importantly the students have a great time. Teams are to build a fountain that completes a technical task and a detailed aesthetic display.

Team Presentation Monday at 9:30AM-11:00AM

Team check-in and Build: Tuesday 1:00PM-5:00PM

Team test / Adjustment in Fountain and Competition: Tuesday 5:00-6:30PM

1st place: \$1,250; 2nd place \$1,000; 3rd \$750

## **ASABE Foundation Board of Trustees**

Tuesday, 7/14/2026 2:00pm - 5:00pm Executive E

Meeting of the ASABE Foundation Board of Trustees with breakout meetings for the Foundation committees.

## **Bioprocess Competition - Oral Session - ASABE "Shark Tank"**

Tuesday, 7/14/2026 2:30pm - 4:30pm Student Competition E/S

This oral presentation session will allow each team approximately 15-20 minutes to present their ideas.

## **ISB Business Meeting and Professional Development Session**

Tuesday, 7/14/2026 3:00pm - 4:30pm Community Meeting E/S

The International Student Branch will vote on nominees for the new class of officers.

## E#12 Business Meeting of AKABFE

Tuesday, 7/14/2026 5:15pm - 6:00pm

Community Meeting

E

Annual business meeting sponsored by the Association for Korean Agricultural, Biological, and Food Engineers (AKABFE)

Cost: \$50, \$30 students

## YPC Business Meeting

Tuesday, 7/14/2026 5:15pm - 6:00pm

Community Meeting

YP

Join us for the Young Professional Community Business Meeting to discuss YPC programming throughout the year and at AIM. Come to learn how the YPC can better serve you and the 34 and younger community, and learn about what leadership opportunities are available.

## NRCS Meeting and Social

Tuesday, 7/14/2026 5:15pm - 6:15pm

Community Meeting

E

The NRCS Meeting and Social is a gathering for NRCS employees attending ASABE AIM 2026. The event will provide an opportunity to meet, socialize, and network with NRCS employees from across the country.

Conservation Engineering Division updates will be provided. The social will extend to a nearby TBD location for food and drinks afterwards.

## CPD5 ASABE Journals Reviewer Certification

Tuesday, 7/14/2026 5:15pm - 6:15pm

Workshop

E

The learning outcomes will include knowledge of the journal article review process, additional skills in conducting a journal review, and additional knowledge in the ASABE journal system.

Cost: \$10 Minimum required: 10

For a full description and listing of all the CPDs being offered this year, visit [asabeaim.org/#four](http://asabeaim.org/#four)

## African Network Group of ASABE (ANGASABE) Annual Business Meeting and Social Gathering

Tuesday, 7/14/2026 5:30pm - 7:00pm

Community Meeting

E

Since 2009 when ANGASABE was formed, students and professionals of African descent and those from elsewhere considered to be 'Friends of Africa' within ASABE gather to discuss matters that align with our vision and mission, which is to promote and facilitate the exchange and dissemination of current issues on agricultural, biological, and food engineering that support sustainable agriculture development in Africa; that foster collaboration in research and education and; support the professional development of its members and professionals in agricultural, biological and food engineering domains in Africa and in the African diaspora through education and engagement. This meeting is also an opportunity to provide updates on past year's activities, elect new officers, and welcome new members. All ASABE members and guests interested in African agrifood systems are welcome to attend. We hope you will join us.

## E#9 Foundation Dinner: Engineering Our Future

Tuesday, 7/14/2026 7:00pm - 9:30pm

Main Event

E/YP/S

Join the ASABE Foundation for an evening of Creativity, Collaboration, and Generosity in support of ASABE

Student Competitions: July 14th at Victory Field, 6:30-9:30pm. Member tickets \$125, Student tickets \$50, include

a dinner and dessert buffet with two drink tickets. This year's event features student competition exhibits, a team-based Rube Goldberg challenge, and an exciting opportunity to give generously to ASABE student competitions, fueling our next generation of engineers.

## ASABE AIM Hackathon - Presentation and Awards

Wednesday, 7/15/2026      10:00am - 12:15pm      Student Competition      E/S

Join us to ideate, prototype, and explore digital solutions for resilient food and agricultural systems! In the lead up to this event, we will host online discussions to allow participants to connect, form teams, and identify projects of common interest.

At ASABE, we will spend the day together making prototypes, from conceptual diagrams, to web apps, and IoT systems - **it's a choose your own adventure! A laptop is required for this workshop.**

Throughout the conference we will continue to work on our designs. All groups will present their creations during the final technical session period on Wednesday with judging and winners announced immediately.

An interest in digital agriculture is expected, with minimal programming experience. This is a hands-on experiential learning experience, and we encourage students from all disciplines to come! Pre-registration is required.

## E#10 ASABE Student Awards and Major Awards Ceremony and Luncheon

Wednesday, 7/15/2026      12:30pm - 2:30pm      Main Event      E/YP/S

A complete list of awards to be presented will be posted at a later date. This lunch is included with your registration, be sure to select the option when registering though to receive your lunch ticket. Additional tickets will be available for purchase for guests.

## ASABE Meetings Council Meeting

Wednesday, 7/15/2026      4:15pm - 6:15pm      Council Meeting      E

## ASABE Board of Trustees Meeting

Thursday, 7/16/2026      8:00am - 12:00pm      Executive      E

Meeting of the 2025-2026 Board of Trustees with transition to the 2026-2027 Board of Trustees meeting.
